

**Computer Science 3**  
Alternative Assessment 1  
My First Web Gallery (24 pts)

Instructions:

Create a web gallery about you. There will be 2 pages in which:

- Home page
  1. Contains a navigation header bar containing logo and navigation links
  2. A footer with copyright reservation and social media links
  3. A slogan heading welcoming people to the site
  4. A small paragraph describing what to expect
  5. A highlight link redirecting to the gallery
- Gallery page
  1. Contain both navbar (1) and footer (2) from the home page
  2. A minimum of 6 pictures about you
  3. "title" attribute to each image describing the scene in the image

Save your work as **q1aa1\_two-letter-section\_first-letters-of-first-name\_surname**.

Example: *Q1AA1\_Ba\_klcardoza*

The project should be uploaded as a GitHub repository with the same name as the project.

Guide regarding GitHub can be found here: [kiboot.github.io/github.pdf](https://kiboot.github.io/github.pdf)

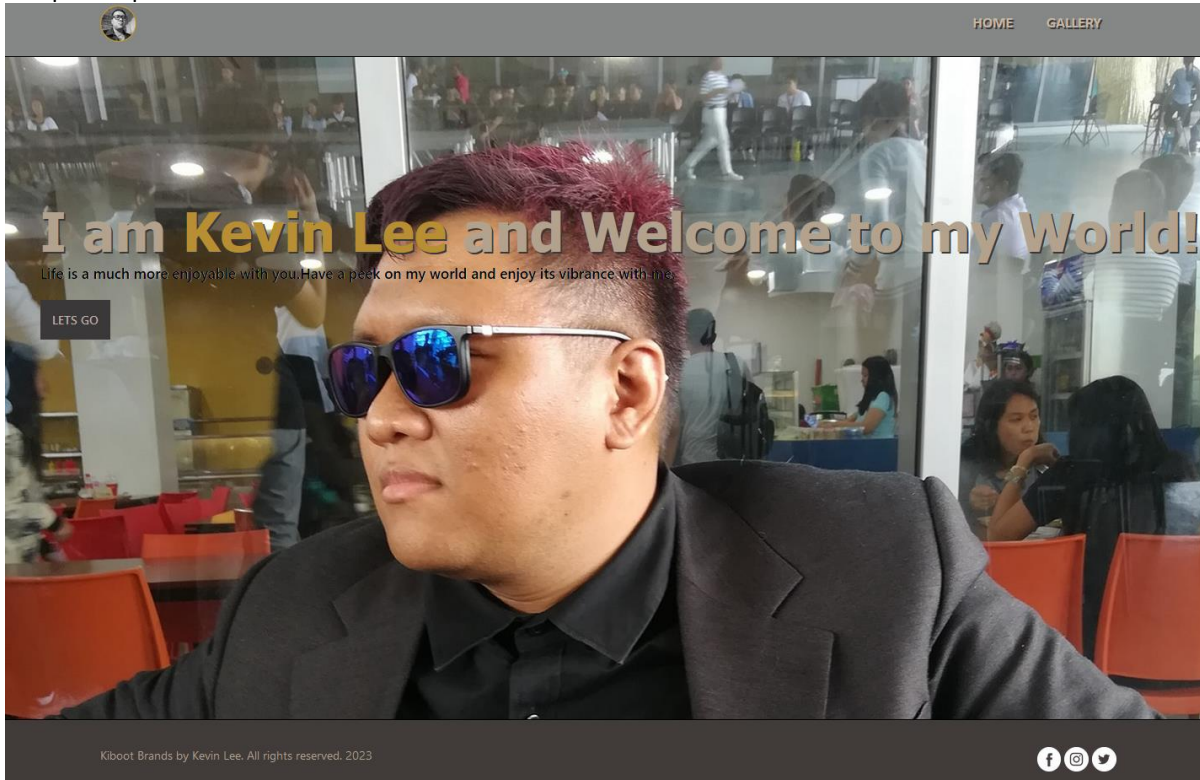

Feel free to customize styles. For thematic colors visit: <https://coolers.co/>

Sample output on the following pages.

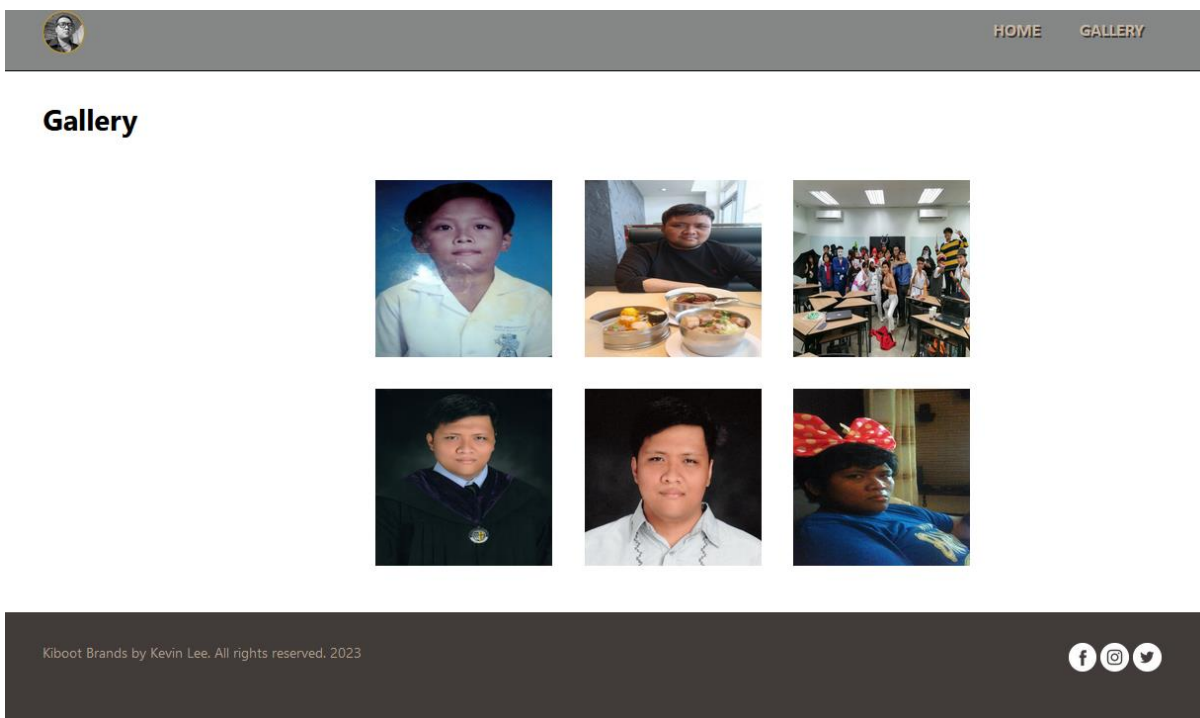

Rubrics:
