Instructions:

Hit your milestone by showing progress regarding your quarterly project. Information regarding quarterly project can be found here: https://kiboot.github.io/cs3-q1qp.pdf

Save your work as **q1gfa3_two-letter-section_first-letters-of-firstname-surname.**
Example: *Q1GFA3_Ba_klcardoza*
The project should be uploaded as a GitHub repository with the same name as the project.
All sections can be in a single page as long as each section takes up the whole screen(or page).
If you are unsure what this means, please ask your teacher or create is section as individual page instead.
Guide regarding GitHub can be found here: *https://kiboot.github.io/github.pdf*
Feel free to customize styles. For thematic colors visit: *https://coolors.co/*
Rubrics:

Criteria	+5	+4	+3	+2	+1
Progress in HTML	• Significant progress in creating HTML structure to at least 3 pages • Adherence to best HTML practices and standards	• Good progress in HTML structure for to at least 3 pages. • Some adherence to best HTML practices and standards	• Some progress in creating HTML structure to at least 3 pages. • Noticeable issues and non-adherence to best practices.	• Minimal progress in HTML structure to at least 3 pages. • Significant issues and poor adherence to best practices.	• Little to no progress in HTML structure. • No adherence to best practices
